

Porcini Farmer Children's Foundation 25th Anniversary Celebration

Sunday, October 18, 2026 | 5PM
Porcini Restaurant

For 25 years, the Porcini Farmer Children's Foundation has provided dedicated support to children and families throughout the Louisville community. To mark a quarter-century of impact, we are hosting a premier 25th Anniversary Celebration featuring cocktails, buffet dinner, heavy appetizers, live auction, and more.

We invite local business leaders, community partners, and philanthropic advocates to join us as sponsors. Your partnership directly offsets event overhead, ensuring every dollar raised during our event goes directly toward supporting Louisville children and families in need.

Sponsorship Opportunities
